Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

This communication is to advise appellant that, as noted in the 12/10/07 order from the Board, the brief filed on 6/2/05 is defective because it does not properly set forth the summary of the claimed subject matter as required under 37 CFR 41.37(c)(1)(v). It is also pointed out that the rejection under 35 U.S.C. 102(b) is applied against only claims 1, 2 and 13-15 (as claim 17 was canceled in the amendment filed on 1/24/05).

Appellant is hereby given thirty (30) days from the mailing date of this communication to correct the above-noted problem.

Any inquiry concerning this or earlier communications from the examiner should be directed to Kenneth B. Wells at (571)272-1757.
